

RAINBOW 9th ANNUAL EVENT

Monday 29 March - Thursday 1 April 2021
Virtual Event

Rainbow Parents Carers Forum has a strong history of providing support for Nottingham/shire parent carers of children with special educational needs and or disability (SEND).

As part of a strong National Network of Parent Carer Forums across the country, with over 92,000 members, we have a remit to co-produce with our local authorities to influence and shape the services our families need in order to 'live a normal life as possible'.

Rainbow is inviting parent carers to join us at our 9th Annual Event to hear our speakers, attend workshops and to take part in our 'Bounce Back' consultation.
