

Curriculum Intent in Music

The Intent of our curriculum in music is to ensure that:

- CYP are motivated to want to engage in developing their talent as musicians.
- CYP are encouraged to use their voices by singing, chanting or reciting raps or poems.
- CYP have the opportunity to experiment with creating and using sounds to make music.
- CYP experience early success in creating and performing musical pieces.
- CYP enjoy the experience of music as a performer or in an audience.
- CYP access and come to love a range of music genres, styles and instruments in their time at Derrymount School.
- CYP who have more knowledge of music and are able to apply that to learning a specific instrument have the opportunity of receiving individual expert teaching.
- CYP widen the breadth of their experiences and vocabulary through listening to music for pleasure, having access to a wide range of music from different composers, cultures and countries, both historical and modern, acoustic, electronic, etc.
